Delia Schrock, representing the teachers of the Fargo Public School System.

School Board Names Spence As 3rd Principal

On July 1, 1977, James Spence assumed the principal's duties at South. He succeeded Ed Raymond, now a negotiator. "I think the kids are super,"

Spence explained, "South has an outstanding curriculum and fine teachers." He made his presence known by increasing hall supervision and tightening the attendance system. A clerk, Ellen McGeehan, was hired to check slips and call parents. Schedule changes were handled differently this year when September 2 was set aside for the change day.

Sophomores Nancy Weir and Kim Kuehl discuss their schedules with Assistant Principal John McDonald while sophomores Kathy

Birch and Dawn Grossman await their turn. Held on September 2 this was the first of two change days held during the school year.

South High's ILC has and still is known as a place for enrolled students to obtain help with their studies. Mike Weeks receives help from Maria Johnson, who is assigned to ILC duty.

Fund Raisers, Ski Field Trips Held by ILCers

"We supply many with a second home." This idea is an objective of South's Individualized Learning Center. Students who enroll in ILC do so volun-

tarily. The Center is often recommended by friends. Students find a place to go and someone to talk to there. Students are involved in many functions both in and out of school. ILCers have participated in many fund raising projects along with a number of field trips. The ILC Center is staffed by Betty Anderson, Curt Smith and Delores Ault.

Business Classes Obtain Texts And Typewriters

"We are keeping up with the times," said Business Education Department head Robert Crippen. "We've added a new course, received new textbooks

and 12 electric typewriters."

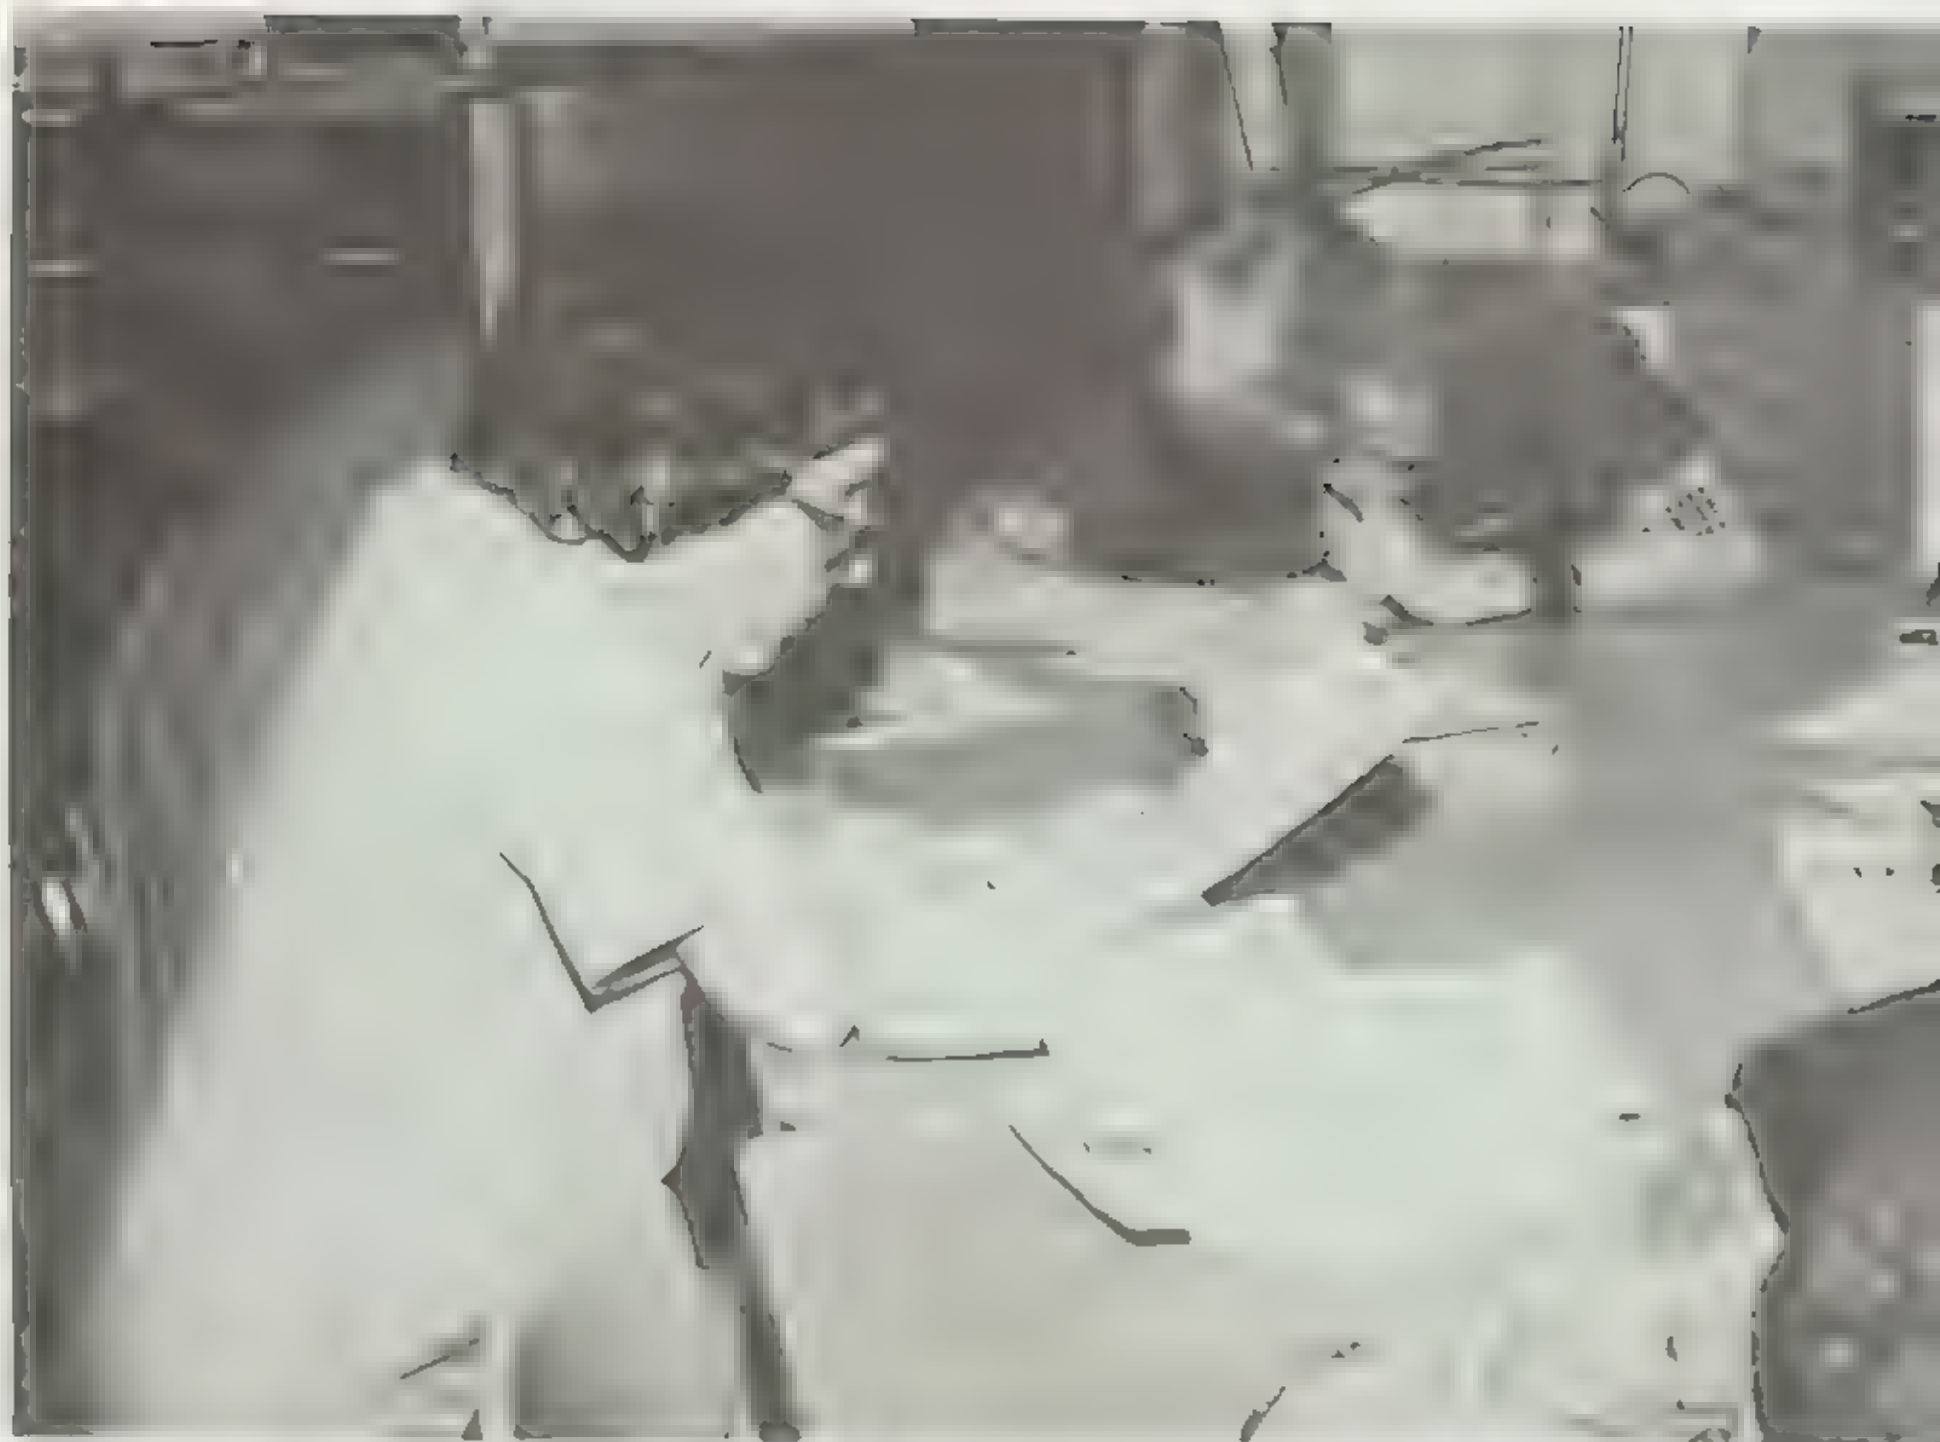

Office skills cluster was the new course added to the department. The class is primarily set up for juniors as a fill-in for office practice.

New textbooks were issued to students in Typing 1, record-keeping, accounting and business law. In addition to books, the Business Department acquired the electric typewriters.

We want to concentrate on, bettering it even more." Owing to the fact that a majority of the staff has this belief, the department made no changes, with the exception of a new staff member, Thomas McConn. McConn taught sophomore English and was the debate coach. McConn commented, "I've enjoyed all that I have done here."

Spanish Teacher, Librarian Added To South Faculty

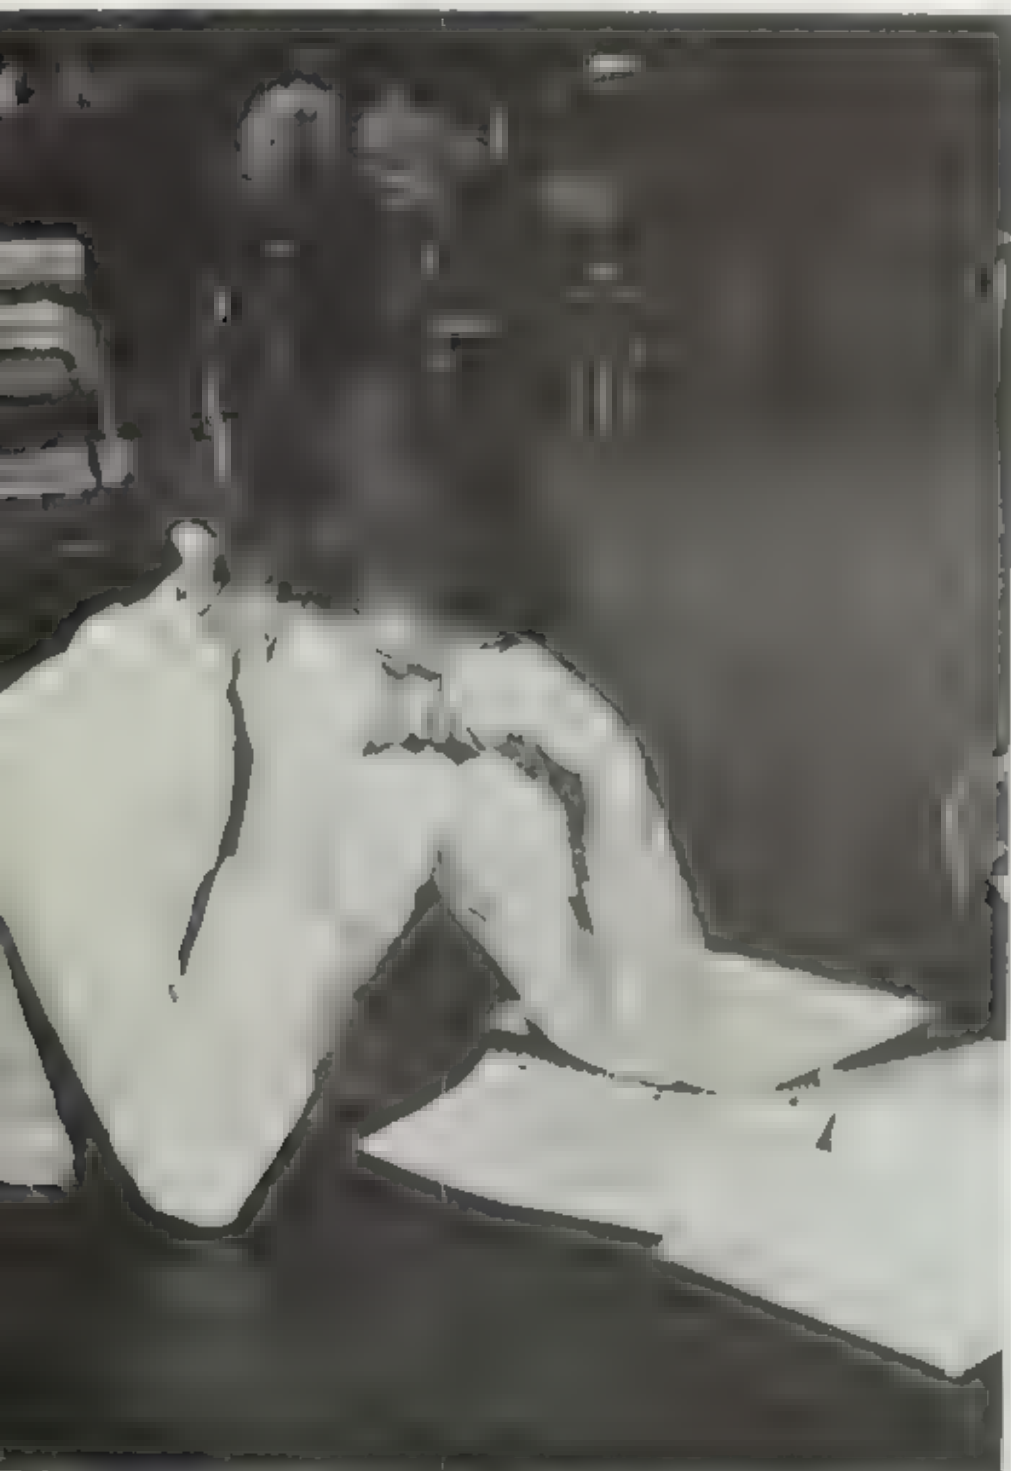

French, German and Spanish continued to be the three foreign languages in the South language area under the chairperson Pat Papacek. Kathy

Bommersbach was the new Spanish teacher on the staff. With emphasis still on the language, the language students still made it to the kitchen to try the culinary arts of the respective native countries.

Joanne Boerth joined the library as a part-time librarian to assist Hazel Yliniemi and her staff. The library continued to increase its school services.

Consumer Math, Dennis Kalpin, New in Math

Addition of a class and a new member highlighted the year in the Math Department. Consumer Math was the course being offered while Dennis Kal-

pin arrived at South replacing Rose Hecomovich at teaching algebra and geometry classes. Ms. Hecomovich had taught in the system for four years.

Carol Rustad who left at mid-term last year returned to her position as an Algebra I and II teacher. The department also received new geometry textbooks which were needed. Milo Benson was the chairman.

Math assignments can be real stumpers but freshman Dave Kuebler finds hope from Carol Sorum in the Math Resource Center Math teachers staff the center all day

Mike Radniecki Becomes New Choir Director

Mike Radniecki, an addition to the faculty, became the new choir director replacing Gene Okerlund, who became the director of music in the Fargo

Public Schools. Radniecki came from Redwood Falls, Minn.

As in past years, the choir division consisted of a freshman choir, girls glee club, concert choir and a pops choir.

Senior Don Dahl was elected to receive the National Choral Award. The pops choir received second place in a LaMars, Ia. contest and two ensembles attended the state music contest.

As a new member to South's staff, Michael Radniecki directed all vocal groups. Radniecki conducts the girls chorus practice just before the final spring concert.

Sophomores Sue Westrick and Linda Retzer sing in girls chorus. Many girls sang in this group.

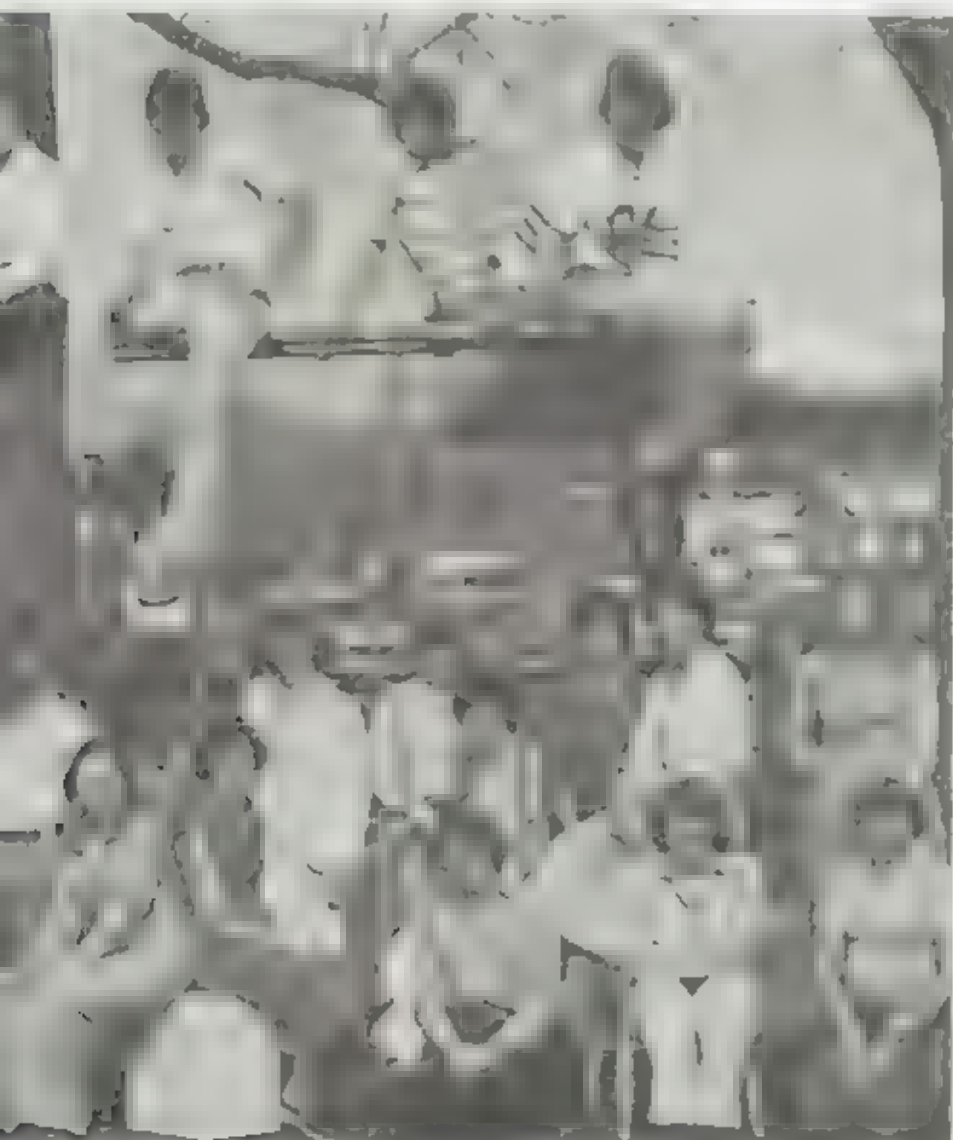

Concert Choir members are L. Anderson, T. Beilke, S. Black, B. Blatchford, B. Bosmo, S. Braaten, E. Curran, D. Dahl, K. Dahlgren, A. Devlin, C. Dillard, P. Doyle, C. Dunford, L. Engan, J. Esposito, M. Fabian, L. Fedje, S. Gowin, D. Hagel, K. Hanson, L.

Olson's Teresa Stackman and sophomore Kevy Kevy practice singing contemporary chart hits. The chorus sang a variety of music.

Jazz Concert, Chicago Junket Highlight Year

Stuart Uggen
Band

Stuart Uggen and John Syverson directed the bands. A jazz concert performed by Buddy Baker, Dick Cheadle and Roger Pemberton, musi-

cians of international stature, was the highlight of the year.

State band competition was consistent with previous years as superior ratings were given to the Horn Trio and the Brass Choir. Four students received awards at the jazz festival in Bismarck. Seniors traveled to Chicago to see "Chorus Line", to hear the Chicago Symphony and to visit the art museums.

Wind Ensemble band members for the 1977-78 year are as follows
Front Row L. Pederson, K. Nordbeck, B. Mathison, C. Dillard, K. Feste, J. Pedersen, P. Doyle, K. Estes, S. Steff, K. Doyle, P. Wegenast

Marsha Woodward junior concentrates while practicing on the electric keyboard during one of the Jazz Ensemble's many rehearsals.

Horn players Eric Schott, Randy Johnson, Eric Nystul, and Tom Nissen play in the Concert Band which meets period two.

Nick Pappas, Pam Lindburg, Dan Fetting, Kris Wenzel, and Jerry Rauch make up the saxophone section of the Jazz Ensemble as they

make their saves walk to Gospel choir. The group practices six hours every day and has played at many of the year's pep tests.

Chamber Orchestra members are: Front Row: M. Swartzwater, P. Klein, T. Martin, C. Fischer, S. Peterson. Back Row: C. Dahl, K. Kaer, L. Wopt, T. Dahl, S. Vell and J. Kjaer. They joined with North to perform with the Dulpho Strings.

Resting against his bass, senior Kelly Norman takes a break during the orchestra rehearsal.

J. Engberg, D. Lammers, J. Olson, K. Aakre concentrate during a practice session. The orchestra continued its tradition by playing concerts for the Fargo elementary schools.

Freshman orchestra members are: Front Row: A. Brodigan, J. Sanders, Clark, J. Lecher, S. Pomons. Back Row: M. Mickelson, M. Dahl, P. Read, L. Engan.

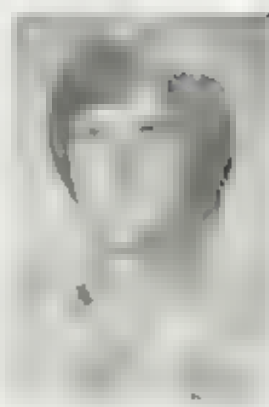

Williams Jones, City Orchestras In Performance

Orchestra traditions have been upheld at South this year. One of the traditions was the combination concert with North and the performances

for the elementary schools.

The joint concert February 5, featured Williams Jones, Minneapolis Youth Symphony director, as the guest conductor.

The combination chamber orchestras of North and South performed in concert on March 5 with the Delphi String Quartet joining them as guests. The orchestra membership increased by 20 people this year.

Commercial Art, Jewelry Course Additions to Art

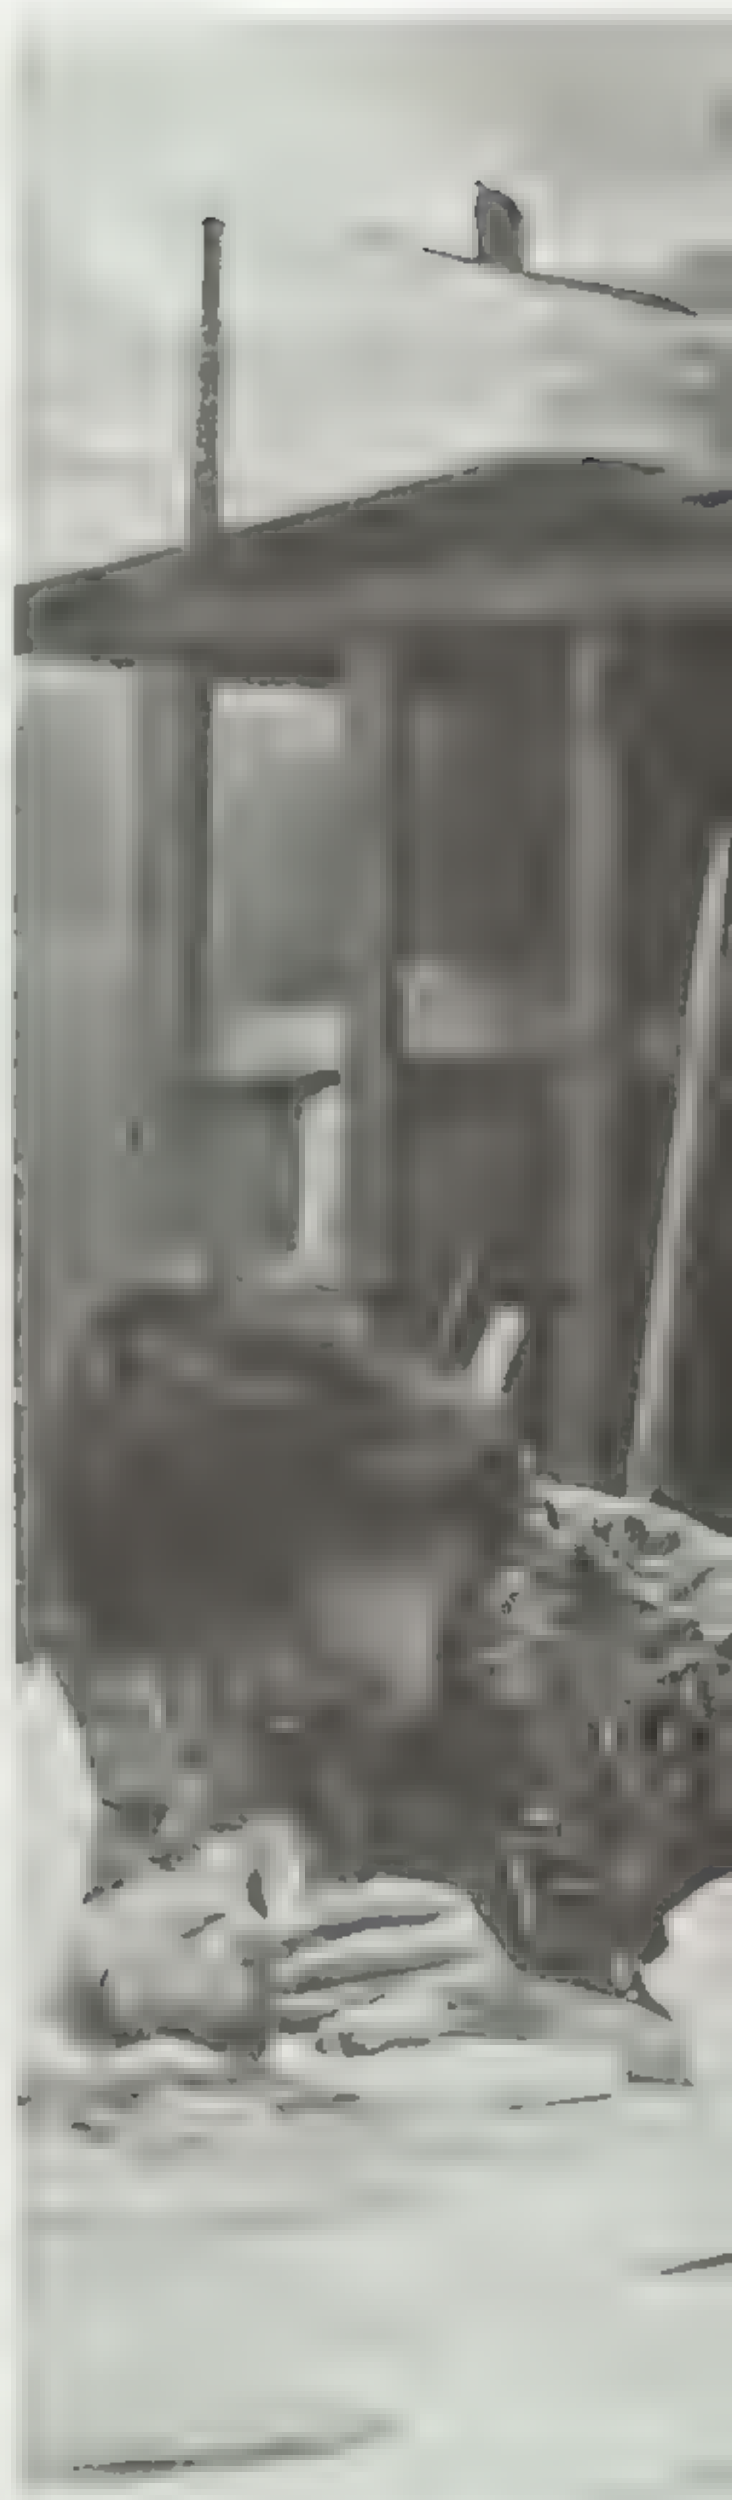

New classes have been added to the Art Department. A semester course on jewelry to familiarize students with jewelry techniques was offered

to Crafts 3 classes. This class was taught by Al Hanson and included repair of jewelry, cost of materials, appreciation of design and material concerning the history of making jewelry.

Commercial Art was the addition to the department. This class teaches different styles of selling an idea or a service. This acquaints a student with another vocational possibility.

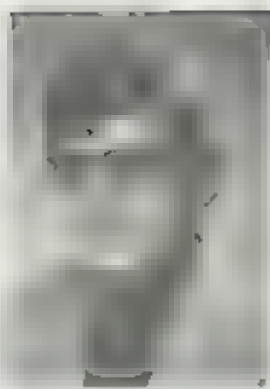

Hand-made pottery is a special souvenir from the art classes. Senior Pam Jordahl puts the finishing touches to a piece of potter she made in her advanced art class.

Morning Phy Ed Continues; New Chairman Added

South's Physical Education Department changed some this year with the switching of department head to Candice Pendergast who is the first fe-

male chairperson. Sue Hann replaced Jan Cossette during first semester and served as girls basketball coach. Also changing this year was the switching of sixth hour resource center to tenth period.

Early morning gym remained a popular subject. A few of the sports areas have been golf, bowling, fencing, tennis and cross country skiing.

Spotting on the pommel horse goes with the fun of the workout on the gym apparatus. This is the last year for non-coed gym because of Title IX.

Science Classes See an Increase In Enrollment

Recently there has been a drop in the student number enrolled in science classes on a nation-wide basis. This year the tables have turned a little

with many more students becoming interested in the different aspects of science and South is no exception. Besides the two required courses, eight more are taught in advanced areas. John Larson, Science Department chairman, stated, "We try to encourage the students in everything they do. We are not here to fail students, but here to teach.

Social Science Gets Textbooks, Two Field Trips

Geography, World and U.S. History textbooks arrived for the Social Science Department last fall. "Anything is better than what we had," according

to chairman Charles Cochran.

A lack of capital nearly forced school-funded field trips from the minds of instructors. Four students and two teachers went to Gustavus Adolphus's Nobel Conference October 4-5. Cochran hoped a few students could go to the Model United Nations in Dickinson April 20-21, but was unsure of district support.

New Equipment Received by '78 Voc Ed Classes

The auto shop acquired two new vehicles: a Chevy pickup and Camaro, which had been caught in a flood. A new cleaner, which used glass

beads to clean, was also added.

A new printer was installed in the drafting room. It was considerably more versatile than the previous one in that it made prints from initial drafts.

Wood shop's jointer, used for aligning board edges, was replaced with a newer model.

The electronics shop received some new pieces of equipment designed for testing.

Compugraphic Comes of Age In Graphic Arts

A major change took place in the printing program this year with the purchase of a Compugraphic IV. Along with this change several platen presses

plus most of the old hot-type was sold in order to make room for the printing equipment.

Another change for the graphics area included remodeling. Hanson's Building Trades class constructed a small room in the graphics room where all the composition equipment was stationed. This provided for a new teaching station in the graphic arts.

The last of an art is used on a limited basis in graphic arts, that of hand set type as shown here

In the small engines classroom numerous projects take place. Here junior Jason Nordhogen and senior Kris Condon do repair work on

Airport Disaster Presented by Career Students

Community Service was a volunteer program to do work in the community such as working at local nursing homes and hospitals, tutoring and partici-

pating in other special efforts.

Health Careers was again a popular program providing a background for the student who was interested in medicine. Health Career students participated in the mock disaster at the airport.

Special Services, under a new name, continued to provide the necessary learning facilities for the handicapped.

A student from North High receives treatment from make-up artist Robert Wylie. Wylie is presently working in Denver and has worked behind the scenes in Hollywood. The disaster was staged to give authorities practical experience in handling medical crisis.

New Guard Unit Makes Addition To Color Guard

This year AFROTC, aerospace, had a freshman color guard unit as well as the regular upperclassman color guard. More students were

involved in this activity this year than in previous years.

Highway Safety met four days a week for one quarter as there were more behind-the-wheel pupils enrolled this year.

Junior Educators of Tomorrow, JET, co-ordinated by Roger Olgaard, let students work with grade school and junior high pupils in the area. Each JET course is one semester.

Phillip Reimnitz instructs a Highway Safety class. The class is taught by Earl Nygaard and Reimnitz.

Senior JET student, Ellen Thompson, teaches a class of first grade students at Clara Barton JET students choose which grade level

that they would like to work with. Correcting papers and individual aide make up a major part of the students everyday duties

Sergeant Chester Chanton instructs the AFROTC students in proper procedure for folding the flag. This year's class showed the largest enrollment ever. Students are also instructed in the different types of new aircrafts and basic marching procedures.

Junior Ted Hoaby leads a group of runners at the West Fargo Invitational. 29 various schools attended the October meet.

Matt Torgerson closes the gap between him and a Moorhead cross country runner during an invitational at the Maple River Golf Course.

Brun Cross Country team members for the 1977 fall season are: Cossette, D. Boe, M. Stensgard, T. Hoaby, B. Orman, Coach M. Torgerson, J. Tonhaye, J. Paumen, J. Hoaby, J. Hewitt, L. Warren Eide. Torgerson was the only senior on the team which is

Eide Heads X-Country; Fourth Coach In Four Years

"There has been four different coaches the last four years at South and it makes it difficult to develop continuity in the program. The athletes have difficulty adjusting to the different coaching methods used each year. It's easier to build a program, both for coaches and athletes, if there are some previous seasons to work from," commented coach Warren Eide on cross country here at South High.

Placing 13th in State Meet, coach Eide felt the team lacked depth. He cited that only 14 members went out for cross country this year and that there was only one senior member on the whole team.

Running against nearly 150 competitors, senior Matt Torgerson led the team in State with an impressive 26th place finish.

Eide felt that Torgerson would be a big loss to the team next year. Torgerson received three awards at the South cross country banquet. Being voted by his team members he was named Most Valuable, Most Dedicated and given the Spirit Award. Other awards went to Hewitt-Most Improved and Orman-Most Valuable Soph. "It was a fun team to work with and, yes, I'll be back next year," concluded Eide.

Girls Golf, Boys Tennis Capture State Titles

The girls golf team put together a near-perfect season by winning seven of the eight meets they attended. One of these wins included a State title which was South's fifth championship in a row. The only meet they took second in was EDC. On the average the team won their meets by 10.4 strokes. Standouts for Coach Marilyn Barge were seniors Beth Gorman, Lee Ann Hornbacher and Susy Wenz, along with junior Lori Kana, sophomores Cindy Bladholm and Karen Johnson. Wenz and Johnson each received all conference honors for their performances at EDC this year.

Under direction of veteran coach Tom Manley, the Bruin netmen took the EDC Region and State titles. Members of the Bruins were Clint Emerson, Jim Herbst, Chris Holly, Jay Kasdan, Dave Norman, Terry Pavek and Paul Scott. Although the season record was only 4-3 the netmen came alive at tournament time. Manley cited the EDC meet as the turning point in the team's year, adding that this was the first time he had the entire team on the court. Individual places at State were Emerson-Kasdan second, Herbst third and Norman-Scott took fifth position.

Jay Kasdan hits a backhand return in a dual meet against West Fargo at South High. Seniors Emerson Kasdan carry a 24-2 record on the year, placing second in the state.

J. Herbst, T. Pavek, P. Scott, J. Kasdan, C. Holly, C. Emerson, D. Norman and Coach Tom Manley are the members of the EDC, Regional and State Tennis Champions.

K. Gorman, L. Hornbacher, L. Kana, K. Feste, S. Wenz, L. Keist, L. Edge, C. Hansen, L. Engin, L. Borge, C. Bradhorn, K. Johnson, and coach Marvin Borge are the members of the North Dakota State Girls Golf Championship Team for the fifth in a row.

Jahnke MVP In Football; Varsity Takes 5-4 Record

South's football team finished a respectable 5-4 record in what was considered a building season for this year's team.

The Bruins opened against Moorhead and stunned them 7-5 with excellent defense.

Three straight losses at the hands of Grand Rapids [Mn], Jamestown and Shanley hindered the team's spirits, yet they were able to bounce back with four wins in a row. Both

Grand Forks teams, Wahpeton and West Fargo were victims of the winning streak.

Coach Dale Hertel felt the Jamestown loss was a big disappointment for him and the team and that Wahpeton was their high point for the year.

The Most Valuable Player award was given to senior Dan Jahnke. Jahnke was the leading receiver for the Bruins as well as a top-notch defensive back. Receiving Most Valuable Defensive Lineman was Ward

Muscatell, a junior. Senior Mike Lordeman was named Most Valuable Offensive Lineman, while senior Tim Jahner was picked as the Most Valuable Offensive Back was junior Kurt Stellrecht, Jahnke, Jahner and Tim Pavek were named honorary captains.

Will Schafer and Don Dolezal are next year's co-captains.

Kalpin, Kelly Coach Sophs To Seasonal Mark of 6-2

"We had a very rewarding year and I enjoyed working with the team. I expect the sophomores to contribute to a successful varsity squad next year," commented first-year coach Dennis Kalpin.

Coached under John Kelly and Kalpin the sophomores compiled a very impressive 6-2 season record. Their only losses came by the hands of old rivals North and Shanley. Starting out rather slowly, the sophomore team finished the year with a five-game winning streak and a 12-6 victory over the North High Spartans.

At the end of the season the players were given awards for their efforts on the field: Most Valuable Back—Ricky Anderson and Tom Jahner, Most Valuable Lineman—Pete Bystol, Most Improved Back—Eric Kautzman and Most Improved Lineman—Tim Eckstrom. Kelley said, "The success of the team comes from the players, not the coaches. We played some excellent ball during the season. At times we were up and at times we were down, but we managed to hold ourselves together and have a winning team and season." Under Gelaine Orvik the freshman team ended the season with a 4-3 record. Kurt Koleman was named frosh MVP.

Senior Karen Hegre concentrates on her form for a first place finish at EDC. Karen set a new EDC record. Karen and senior Jackie Ness were this year's swim team co-captains.

First, Second In EDC, State Highlights Of Season

"We were really pleased with the EDC win and the second at State," stated girls swim team coach Jan Cossette. "The team did a fantastic job and next year our team will continue to be just as strong."

The team had a great season with an excellent 11-2 dual record. They also won EDC for the first time since 1972, and came in second at State. Cossette was named Coach of the Year.

Sophomore Trish Cole took South's only first place at State, and also made a State Meet record. Cole's first was in the 100 yard butterfly. Her time was 1:01.98. Cole also took a first at EDC with a conference record in the butterfly.

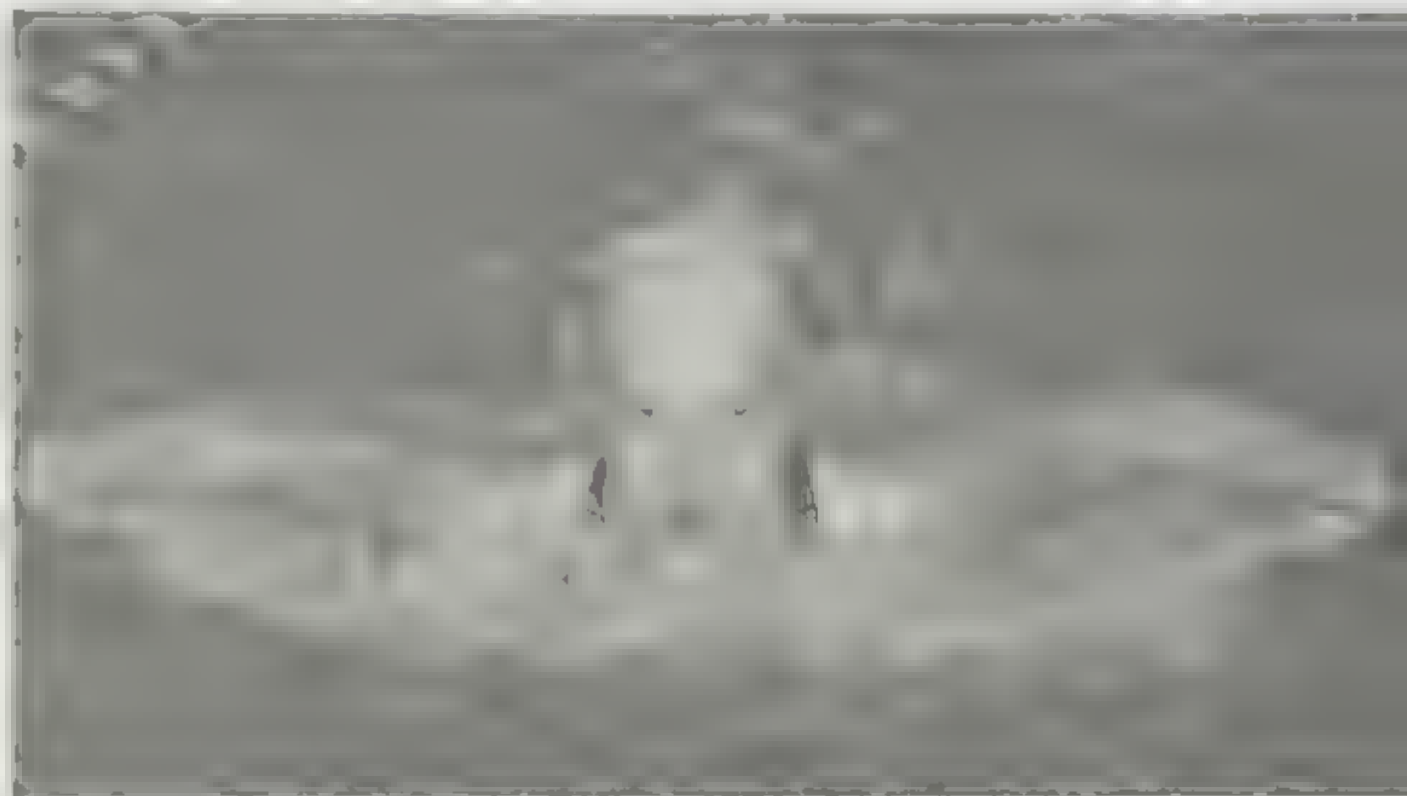

Senior Karen Hegre took a first place in diving, which also was a conference record. She also took second at State. Hegre and senior Jackie Ness were this year's co-captains.

Sophomores Cole and Carla Kenward and juniors Amy Krieg and Patty Miller hold the team record for the 400 yard freestyle relay with a time of 3:55.34. The relay came in second at EDC and at State.

This year the State Swim Meet went down to the wire. South and North were tied up to the last relay. South lost by a mere six points. Final score was North 215 and South 209.

Junior Patty Miller swims her last leg of the 200 yard freestyle. Patty is a member of the 400 yard freestyle relay team that took second at EDC and set a new team record.

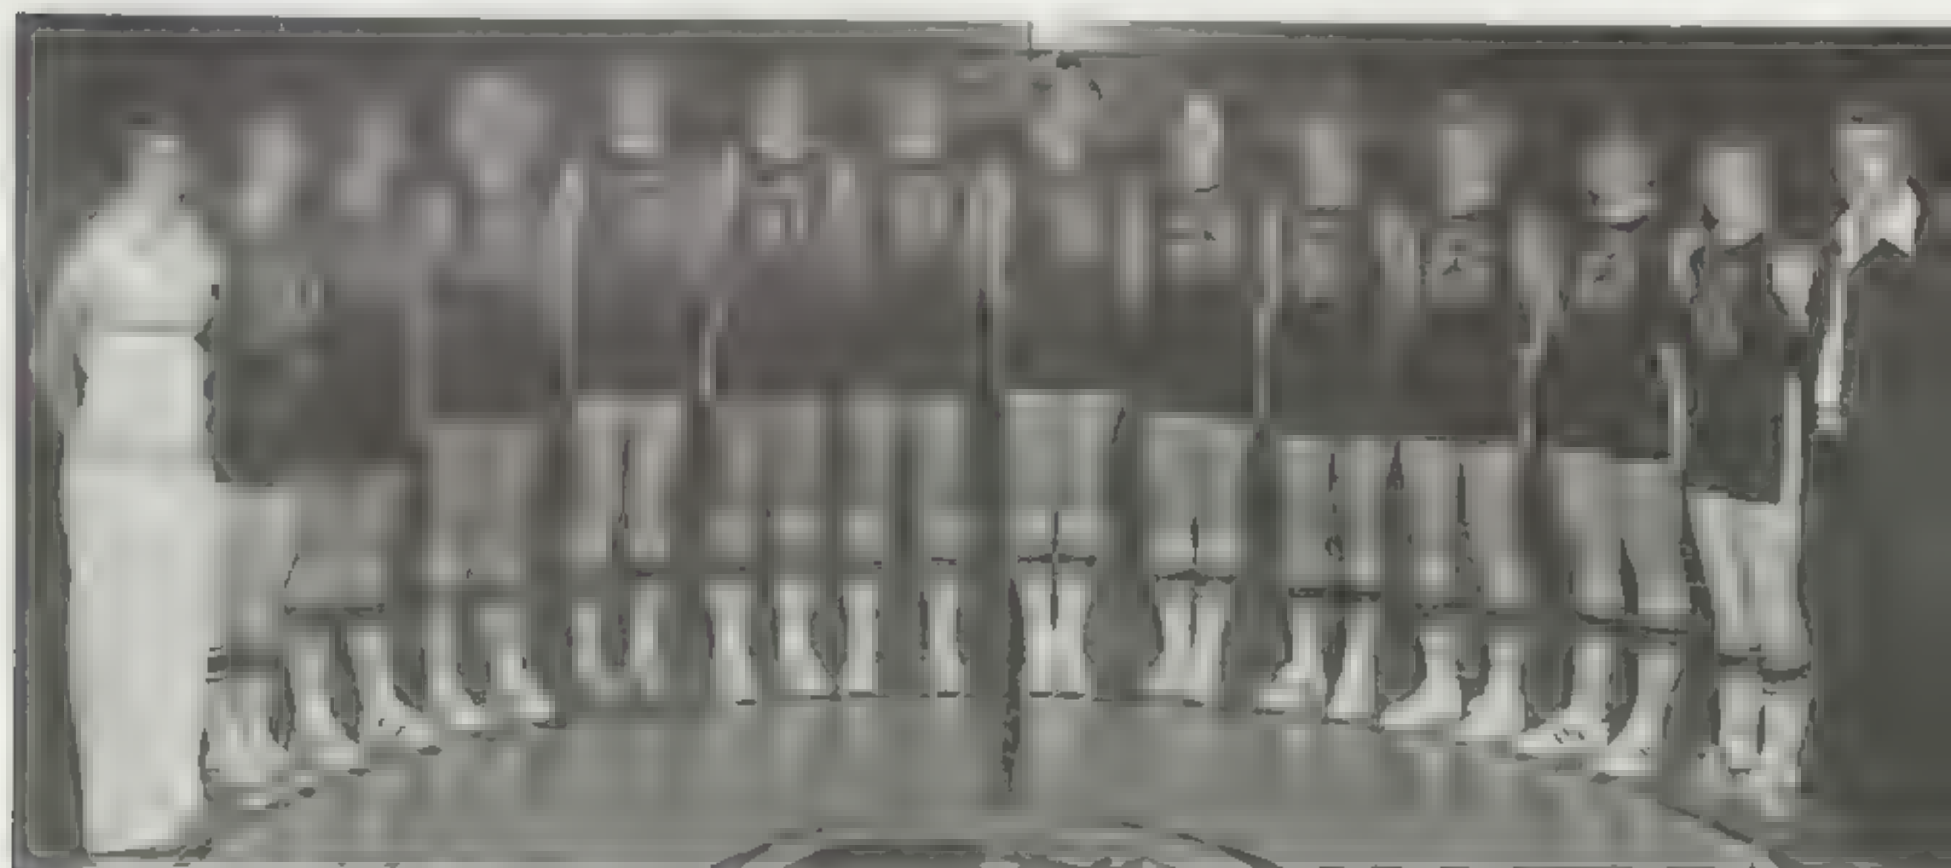

Sophomore Patty Cole finishes the season with a State Meet record in the 100 yard butterfly. Patty also went the entire season undefeated in the 100 yard butterfly.

Girls B-Ball Finishes 11-6; Team Loses Five Seniors

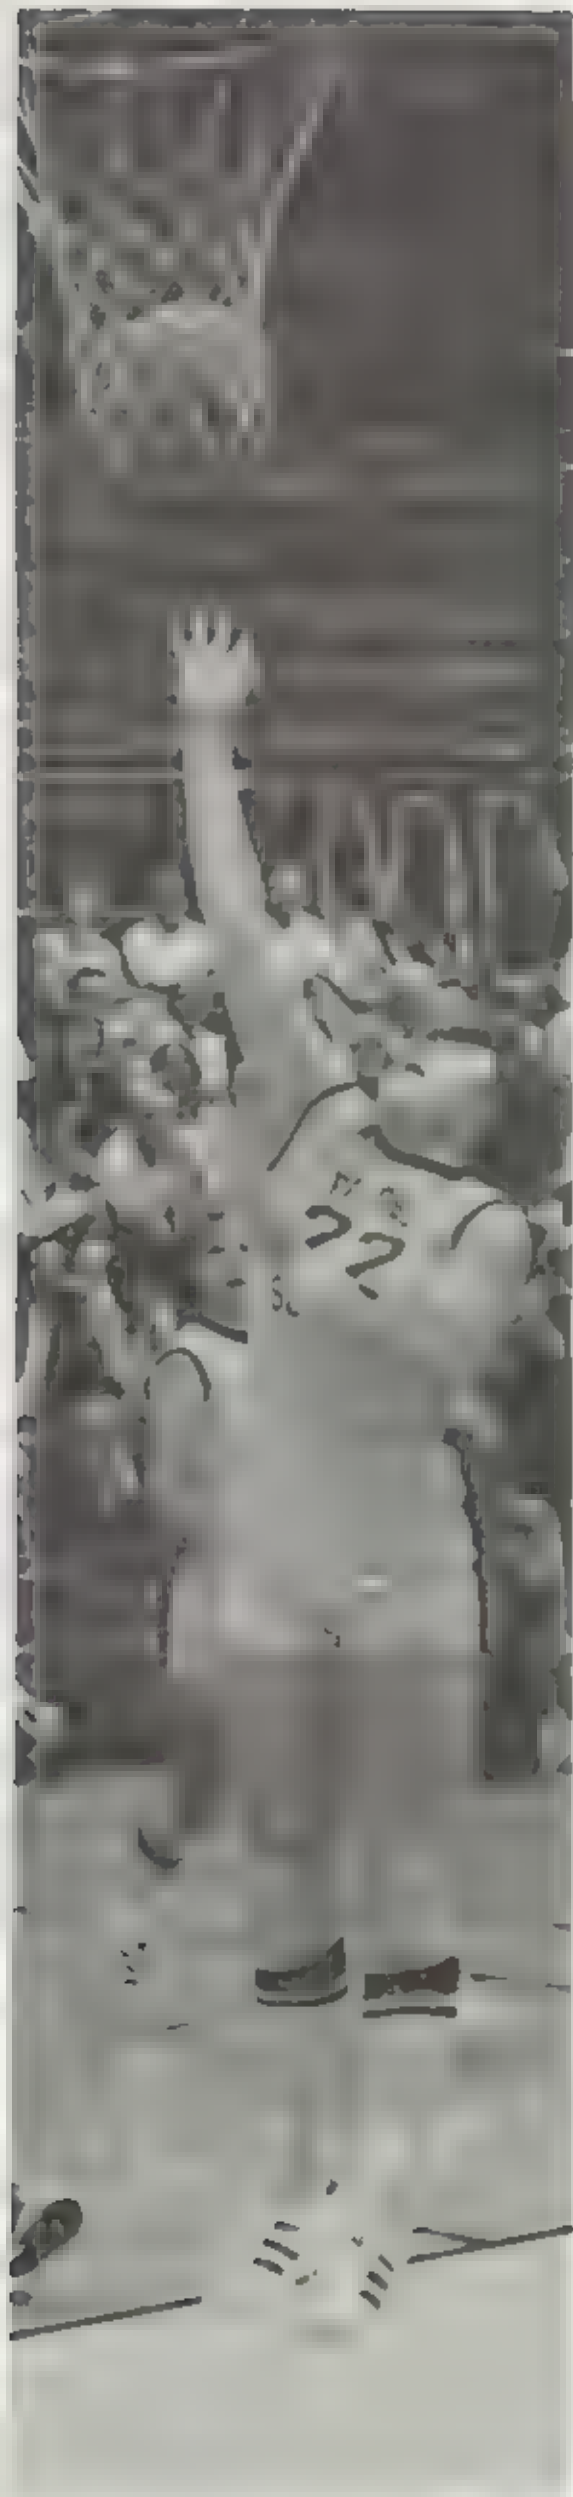

"The reason for our good season was balance between players, team work and the fact they could work well together," stated Sue Hann, the 1977 girls basketball coach. The Bruins ended with an 11-6 record and third in the Southeast Regional Tournament held in West Fargo.

With five returning lettermen, all of whom balanced the scoring scale, the girls defeated their first four opponents, including West Fargo, who was ranked in State at the time. They then fell to underdog Wahpeton in an upset.

Coach Hann came to the team with the theory "In order to win a ball game you have to have a good defense. Without it your chances are slim."

The girls finished the regular season with a 9-5 record, and went into regional tournaments seeded second. They defeated Wahpeton, but lost to Shanley.

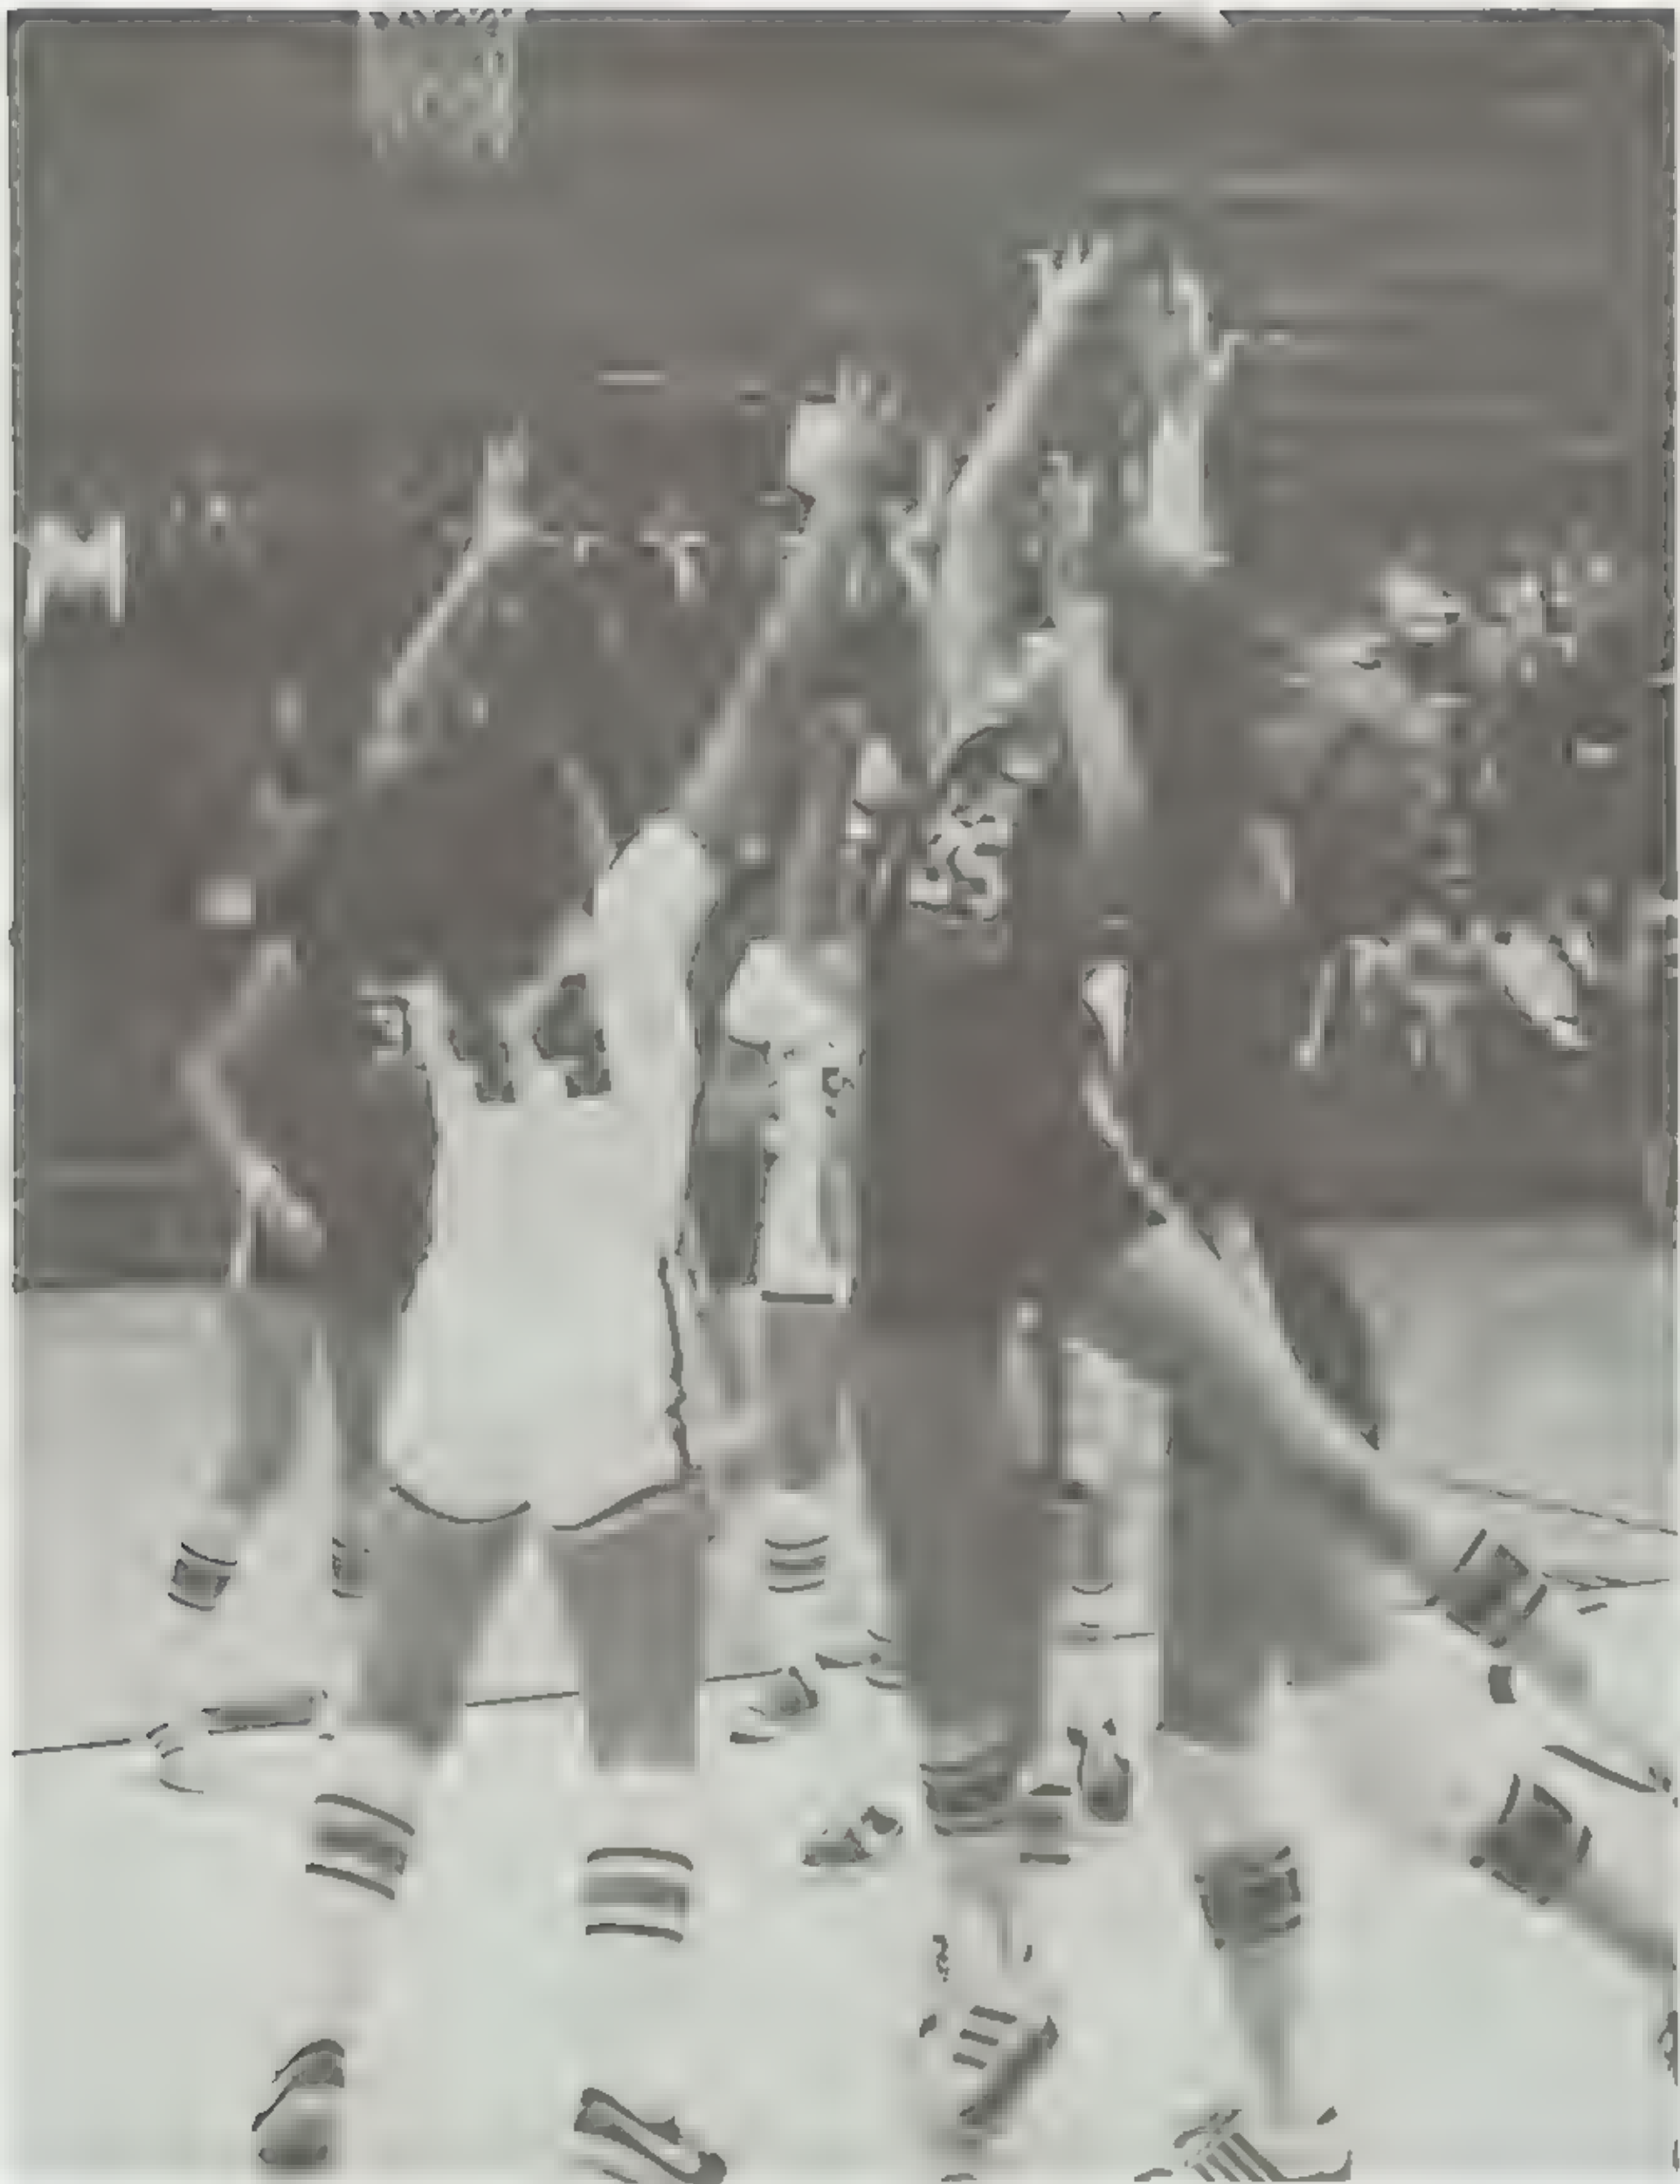

Senior Cindy Pugh led her team as leading scorer, and junior Ronda Nesemeier was the leading rebounder. Lisa Breiland was on top of the team in free throw percentages. Pugh, Breiland and Carla Wetjen were chosen as tri-captains for the year. The Bruins will lose seniors Ann Devlin, Becky Krieg, Brenda Petrie, Pugh and Wetjen.

Kaufman Leads JV; Krieg, Pugh Top Frosh

"I was pleased with the last part of the season..." stated Mardy Dosland, the girls JV coach for the 1977 season. Although their final season record was 4-10, the last four games proved to be four of the best. This year there was a change in players as two freshmen, Missy Krieg and Michelle Pugh, were added to the team. Jenny Konrad and Darla Kaufman led the team as leading rebounder and scorer. Konrad had 64 rebounds while Kaufman had 63 rebounds. Kaufman had 80 points, followed by Pugh with 69 points. "They learned to keep their cool... they were a great bunch of girls," commented Dosland.

Carol Schmallen, coach of the girls freshman basketball team, guided them to a 5-7 record for the season. The frosh won their last game which gave them the consolation in the Inter-City play.

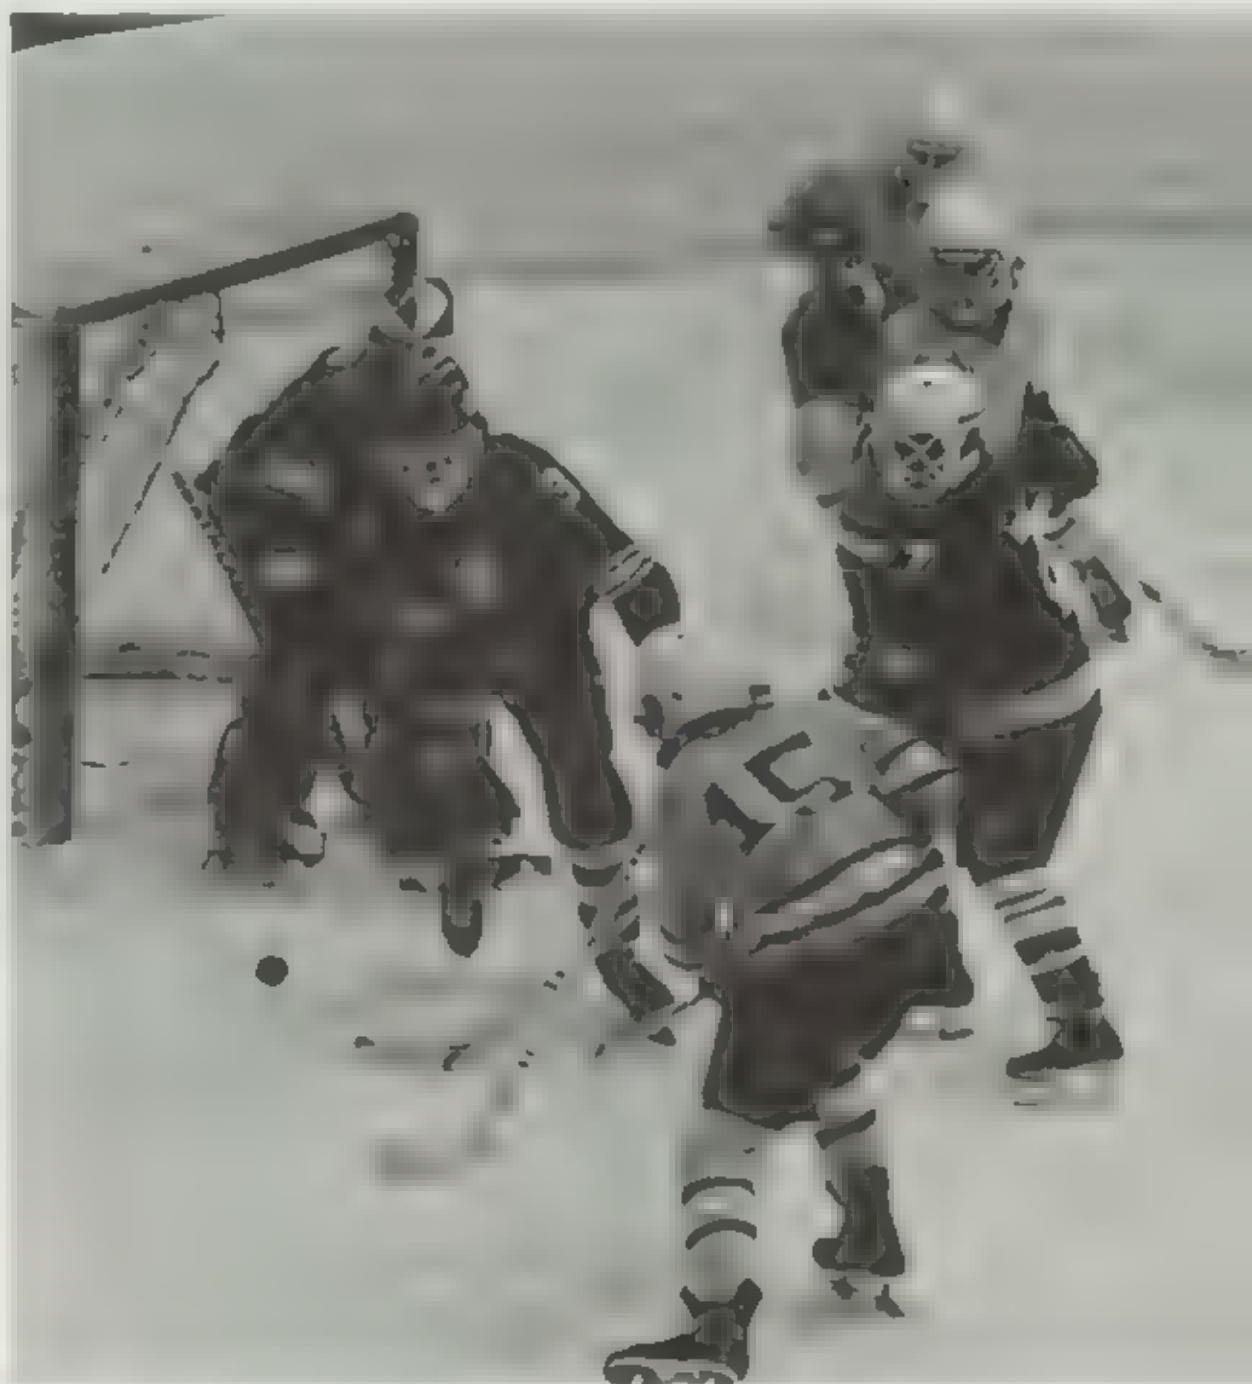

Pugh and Krieg were the best players according to Schmallen. Pugh was the leading scorer for the first half of the season and Linda Biwer was the leading scorer for the last half with 107 points. Karen Bentley was second with 61 points. Cyrena Kelsch was the leading rebounder. "Very enjoyable season, girls worked hard," commented Schmallen.

Bruin Icers Become South Region Champions

Fargo South's varsity hockey team finished their '77-78 season with a respectable 14-12 record. Highlighting the season were the three wins over Fargo North (one for first place in the Southern Regional Tournament), a 6-3 victory on Parents' Night against Grand Forks Central and also an early season win over Grafton, the eventual state champions. As most everyone knows, South had their troubles at the state tourney. A first round 4-1 loss to a fired up Devils Lake team with a hot goalie sent the Bruins to the consolation bracket for the second year in a row. Feeling the effects of that loss in the following game against Jamestown, South had to come from behind to edge the Jays 4-3. Meanwhile Central found themselves in the consolation finals due to a heartbreaker of a loss to North. When South met them for fifth place, the outcome was 6-2 Central. Coach Dave Roddy described his varsity hockey team as "well balanced and very unpredictable. Everyone seemed to score for us this year." Junior defenseman Kurt Stelrecht led all scorers with 29 points. Other top scorers included junior Paul Honl, sophomores Sean and Shawn Lewton and Mark Stensgard.

Coached under Myron Wagner, the JV hockey team ended their season with an impressive 12-5-2 record. The purpose of B-Squad hockey is to develop future varsity players by providing game experience.

Wagner saw a lot of improvement throughout the course of the year and was glad to see four JV players elevated to the varsity level during the extent of the season. Sophomore

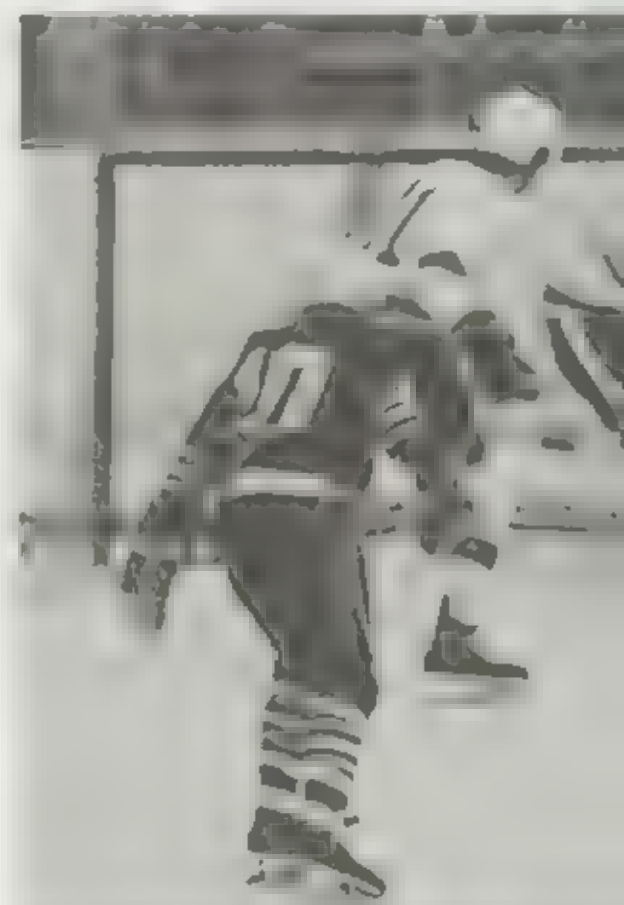

Al Schafer lead the team in scoring. Most improved players went to frosh John Green, Jay Lakoduk, Matt Magness and Terry Pavek. The JV'ers split with cross town rival North this season with a dominating 5-0 win the first time and a close 0-2 loss the second time.

Other big wins were over Grafton 7-3 and 6-0, Moorhead 3-2 and 3-0. Although they suffered disappointing losses to both Grand Forks teams. South's freshman hockey team completed a disappointing season while compiling a record of 5-11-1.

The baby Bruins were under the direction of first year coach Paul Cutler, a student at Concordia. Highlighting the season was the split with North, they each won two games. Many of the C-squaders played in junior varsity competition.

South Bruins Take Second Tournament At Grafton

For the second straight year, the South varsity basketball team captured the Grafton Holiday Tourney. The cagers ended up 8-13 for the '77-78 season, placing sixth in region. The Most Valuable Player for South was Steve Linn, a 6 foot 4 senior. Linn, a three year letter winner, led the team in rebounds and free throw percentage and was second in points and field goal percentage. He was also awarded the Chuck Dawson Team Player Trophy. Junior Jon Eide was awarded the Most Improved Player for coach Ron Herring's team. The 6 foot 6 center led the team in scoring with 288 points, and set a school record in field goal percentage, hitting at a 57 percent clip. Eide was also named to the All-Eastern Dakota Conference team, while he and Linn were labeled All-Southeast Region. Senior Jim Peinovich received the Best Defense award. The 6 foot forward-guard was second in assists and third in steals on the team. The other lettermen in addition to Linn, Eide and Peinovich were seniors Kevin Johnson, Matt Torgerson, Scott Askerooth, Dean Winstanley, Jeff Kenney and Dave Kolpack, while juniors Darryl Infeld, Dave Norman, Jeff Meyer, Brad Belk and Steve Bartholomay lettered.

South's tall boys clear the boards against Shanley. Steve Linn, 50, 40 was named the Most Improved Player. Both Linn and Linn won the Chuck Dawson Team Player Trophy while junior. On the were important on defense because of their added height.

D. Norman Named MVP For 1977-78 JV Team

Coached by Jerry Laney, South's Junior Varsity Boys basketball team finished the 1977-78 season with a more than respectable 11-8 won-lost record. The team had to get along without second year coach Laney for the first part of the season for medical reasons. Filling in for the first four games was Doug Gudmunson, the assistant sophomore coach. Laney returned to coach the Bruins to a 70-54 shellacking of Shanley. South beat the Deacons again later on in the seson 60-52.

Coming off to a rather slow start, the Bruins ended their season with a flourish, winning seven out of nine games. A highlight of the season was a seven game winning streak which was ended when Jamestown defeated the Bruins on South's court. South had double wins over three schools, Shanley, Red River and West Fargo. Scores for the Red River wins were 52-41 and 66-50 while West Fargo was defeated twice 53-49 and 56-49. Dave Norman had the most field goals and total points for the season, even having a 100% free throw accuracy. Sophomore Ken Sanford had the most offensive and defensive rebounds. Most Valuable Player was given to Norman while Sanford was tagged Most Improved.

Sophomores Lack Height; Freshmen Promising

The sophomore basketball team was coached under first year Dick Walvatne. This year's team didn't fair too well with a record of 6-12 to end the season. Approximately 17 sophomores made up the team. Jon Tomhave was voted Most Valuable Player by his teammates. Chris Rudrud received the Hustle award. Jeff Haug was Most Improved. Walvatne hopes to coach again next year. Tomhave led all sophomores in scoring with 256 points, averaging 14 points a game. Rudrud was second highest scorer with 189 points, averaging a 10 point game. Haug was third scorer but leader in total rebounds with 116, 6.4 a game.

Sophomore Ken Sanford was moved up to play JV this year, so the sophs were minus the height for rebounding and inside work which he contributed so much as a frosh.

Returning coach Rich Lindstrom guided his frosh team to a won-loss record of 13-6. They finished third in the Inter-City Championship. Pat Norman was elected Most Valuable Player by the team. Hustle award was given to Eric Aleckson while Most Improved Player was received by newcomer Tom Flannery.

"This year's team has the potential to be state champs," commented Coach Lindstrom.

Wrestlers Capture EDC; Jerry Larson's Reign Ends

What started out to be a spectacular season ended in a disappointing finish for the Bruin varsity wrestling team. Capturing EDC and posting a 10-3 won-loss record, the Bruins suffered a letdown at both region and state.

Senior standout Tim Jones led South with a 28-4 record and second place finish at state. Jones was selected MVP by his teammates at the end of the season during a memorable athletic banquet. It was at the annual banquet that Coach Jerry Larson, a veteran of 11 years, announced his retirement. His reason was that he wanted to devote more time to a family farm. Larson's accomplishments here at South included a 100-34-2 coaching record and 17 tourneys won.

Also at the banquet, seniors Curt Stensgard and Mike Lordeman received the Gary Stensgard Teammaker Award. Stensgard was 23-6 for the year while Lordeman posted a 24-6 record. Sophomore Warren King was named most improved. "Even though we had a letdown at the region and state meet, we had a very special season. We won in conference and had a 10-3 won-loss record," commented Coach Larson on the Bruin varsity's up and down 1977-78 wrestling season.

JVers See 3-4-1 Record; Good Season By Freshmen

Inexperience hurt the Junior Varsity wrestling team as they struggled to a 3-4-1 record under Coach Lynn Forde. The Bruins started the season off well with back to back dual victories over G.F. Red River and Wahpeton by the scores of 40-21 and 42-25 respectively.

The team hit a mid-season slump with four consecutive losses at the hands of Moorhead, G.F. Central, Jamestown and West Fargo. The two remaining matches saw the Bruins tie Valley City 30-30 and defeat crosstown rival Fargo North, 54-3. Inconsistency plagued the wrestlers in duals, but they were a model of consistency at all tournaments, never placing worse than sixth or higher than third. The top finish being third at the South JV Invitational. Key

wrestlers for the Bruins were Brian Orman, 15-5; Dennis Seeb, 17-3; and Dennis Lothspeich, 11-1. Under the direction of Coach John Kelley, the freshmen got off to a fast start and never looked back. The freshmen started with nine straight wins on the way to a 10-1 record and a first place finish in All City Tournament. The Bruins had six individual All City champions and one runnerup in what Coach Kelley termed as a strong performance by the entire team.

South's top diver Richard Haarstad won the diving competition in the EDC meet.

Butterfly specialist Tom Bachmeier, junior is also a member of the medley relay team.

Bachmeier Leads Team; Takes State In 500 Yard

"The team showed great effort at state, even though we stubbed our toes a few times we still finished in the top four," explained Tom Manley about the swim team season.

Tom Bachmeier was South's top swimmer at state and EDC. He took two firsts during the EDC meet, the 200 yard and the 500 yard freestyles.

At state Bachmeier set two team records. He broke the 500 freestyle by seven seconds, the new time was 5:02.71. In this race he took South's only first. His other record was in the 200 yard freestyle, which he placed third. Bachmeier was a senior.

South placed second to North with 272.5 points at EDC. The

boys took five firsts. Bachmeier took two. Senior Dan Kenward took a first in the

100 yard freestyle. Senior Richard Haarstad won the diving. Sophomore John Miller, junior Pete Benson and seniors Kenward and Bachmeier were the members of the 400 yard freestyle relay. The relay

also set a new team standard of 3:40.90. The

swim team finished their season with nine wins and seven losses. Tom Manley's team will lose six seniors, three of them placed high at EDC. This year's assistant coach was Jerry Quenette. Jerry has been assistant coach for two years.

Team Takes State Meet; Simle Seizes All-Around

Veteran coach Jim Simle led his 1978 Bruin team to their second straight Class A championship. With a running record of 52-0 the team has remained undefeated for the past two years. Simle exclaimed, "I felt that the season couldn't have gone any better. There were no injuries and the kids progressed as gymnasts."

He continued, "We didn't really have anything near a close meet this year, within a couple of points." According to

Simle the most competition came from Minnetonka, Minn.

South won 131.55 to 119.05. Dickinson came closest to the Bruins, allowing South to win by only four and a half points.

Competing against and defeating the best team in North Dakota, Minnesota and South Dakota completed the Bruin's season. Team awards went to Jane Borman, Honorary Captain; and Kristi Tryhus and Jackie Marcil, Outstanding Contributors to team morale.

First place winners at state were Susie Schraufek, balance beam; Stacey Simle, uneven bars and all around; Jane Vanyo, floor exercise. Marcil,

Borman and Tryhus also placed. "We're looking forward to next year. We'll have the entire team back, and some of the toughest competition yet," concluded Simle.

Lane Borman, honorary team captain, performs a leap during a floor exercise workout. Borman, a freshman, took third in individual competition at state.

Team Totals Of 8-0, 4-3 Impressive In Volleyball

The South High girls volleyball team finished the 1977-78 season with an impressive record. The varsity squad ended their year with an undefeated record. Tri-captains for the varsity team were seniors Ana Marie Dias, Cindy Pugh and Carla Wetjen. Of the total eight games played by the varsity squad five of them were played with Fargo North.

The junior varsity team ended with a 4-3 record for the year. Five of the seven games were also played against North High's team. Co-captains for the junior varsity squad included Jenny Konrad and Debbie Yeager.

A large number of girls started out the season. Various conflicts and an erratic practice schedule narrowed down the number of girls who had planned to the last the season.

Two rigorous weeks were spent on conditioning followed by four weeks of regular practice before their first game. Coach Debbie Noyes seemed to feel "it paid off".

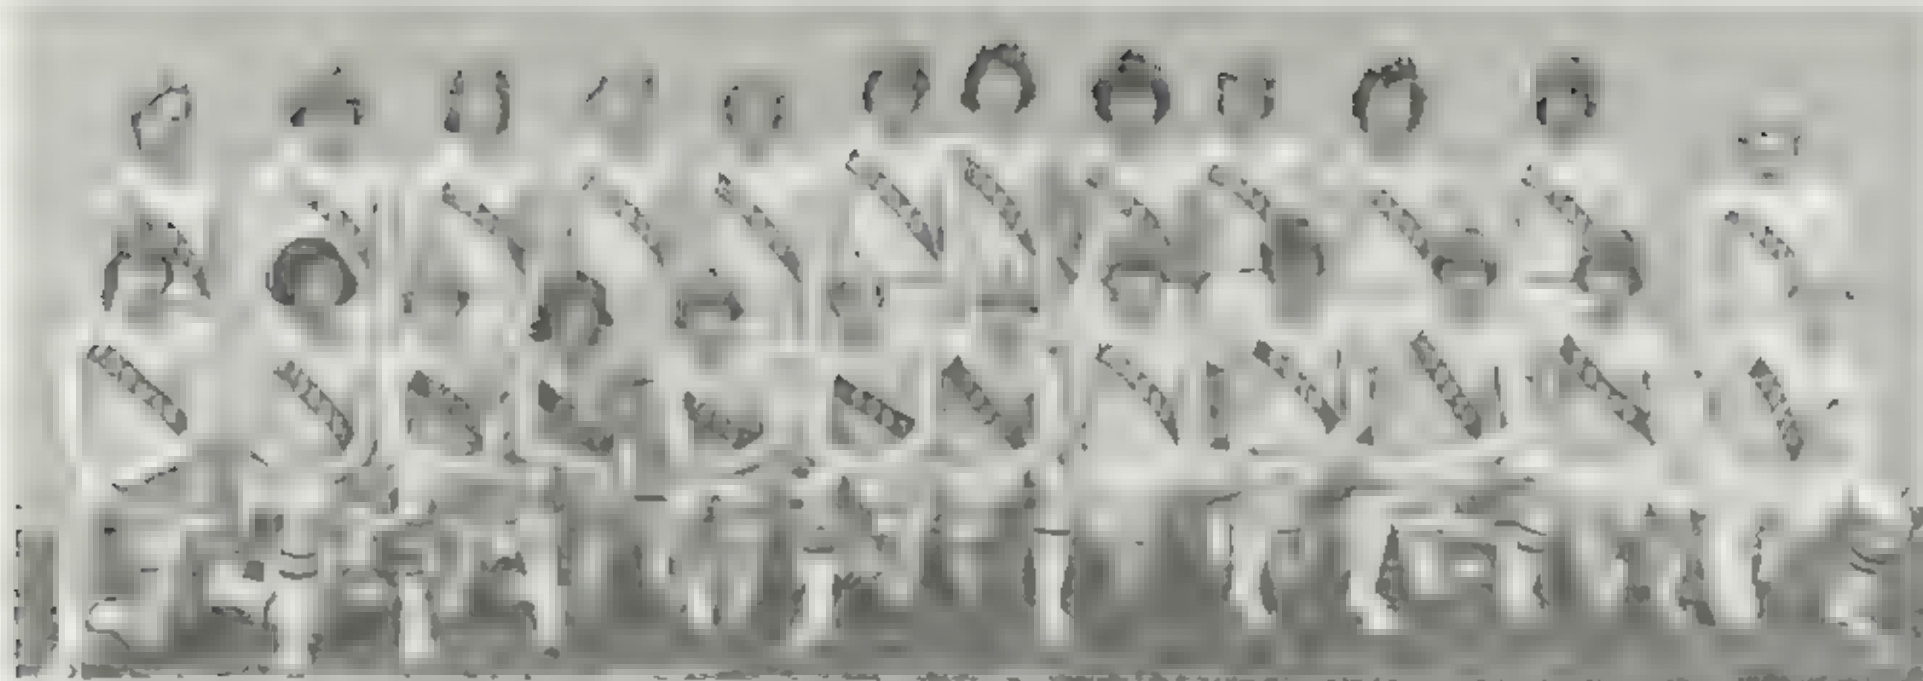

Head coach Noyes was assistant volleyball coach at Concordia. She was assisted by Cindy Hoveland who was an experienced player for Concordia. This was Cindy's second year assistant coaching for South's team. Noyes felt, "It was a really good year."

Varsity volleyball players for the 1977-78 season included Bottom J Cordahl, D Seeb, K Bruggeman, J Konrad, M Pugh, M Krieg. Top Coach D Noyes, C Wetjen, L Meyer, L Breiland, D Bergerson, C Pugh, A Dias. They finished the season 8-0.

Tracksters Lack Depth; Team Loses Four Seniors

Although the performance as a team was down for this year's boys track team, there were several fine individual efforts as three records were set.

Junior Jim Hewitt grabbed the mark in the 300 yard dash by running a 33.3; junior Wayne Briggs set a record in the 600 of 1:17.5; and the mile relay team of Dave Fink, Jeff Haug, Hewitt and Briggs bested the previous record by posting a 3:28.9 time. All three were set in outdoor meets.

Briggs was designated as the Outstanding Trackman by the squad. The Most Valuable Jumper went to Rod Salzwedel; senior Jim Sprattler was the Outstanding Weightman; Hewitt was Outstanding Sprinter; senior Matt Torgerson was given the Outstanding Distanceman award while sharing the Most Improved trophy with Salzwedel; Jeff Haug was the Outstanding Sophomore; senior Kelly Norman was named the Most Spirited.

Gelaine Orvik was the coach of the 1978 squad, assisted by Greg Hagen, Dale Hertel, Dennis Hogan and Warren Eide. The team will return 13 lettermen.

Chris Rudrud awaits Will Schafer to complete his vault during an early meet.

Ed Harrison tries to make a perfect jump, one of the many promising underclassmen.

Girls Team Takes Five First Places In Track

Five first place finishes including the EDC indoor and outdoor meets highlighted the 1978 girls track season. In addition, the Bruin girls captured the Southeast Regional meet and the Wahpeton and Bruin Invationals.

Senior four year letter winner Becky Krieg was named the Most Valuable Athlete on this year's squad. Junior sprinter Deb Bergerson shared the Most Dedicated Award with sophomore Pam Harty. Soph Lori Rusch was the team's most spirited.

There were five new records set by the girls tracksters. Becky Krieg bested her previous mile mark to set the record at 5:23.0. Junior Ronda Nesemeier captured two field marks, throwing both the discus and the javelin 109 feet and 8 inches. The 880 yard relay team composed of Rusch, Bergerson, Harty, and June Kloubec set a new time of 1:49.9, and the mile relay squad of Bergerson, Becky Krieg, Amy Krieg and Harty put their names in the record book with a 4:07 showing.

Jan Cossette was the head coach for the girls.

Girls Tennis Unbeaten; D. Hentges Best Golfer

Candice Pendergast coached another successful tennis season with an undefeated varsity record of 7-0. The season was concluded with a co-championship in the EDC with Grand Forks Central at their home courts. Regionals were held in Fargo and South came in second place. The state tennis meet was held in Bismarck where they took third place.

Two varsity members attended the Seventeen Magazine Tournament in California this year.

They are senior Sarah Jordheim and sophomore Niki Pappas. Many of the junior varsity members saw varsity action. South's varsity golf team highlighted their season with a convincing win in the EDC meet held at Oxbow. Led by senior

Dave Hentges who medaled with a 69, the Bruins took first by 13 strokes. The top six in this meet made All-Conference. Three of the six were Bruins which included senior John Fercho [74] and junior Steve Bergo [75]. Other top golfers for Coach Tom Engh were juniors Steve Jacobson Scott O'Neil and senior Tim Jones. Hentges had a 77.6 average, the low for the team.

Council Endeavors To Involve Students In Various Activities

Expanding student involvement is not an easy task. This year student council, under the direction of president Martha LeClerc, worked to represent the student body and plan activities which would increase student involvement. Council's activities included Homecoming, Snow Week, 50's Week, Arts Week and various dances. Five delegates represented Fargo South at the North Dakota State

South Cheerleaders Attend Many Clinics To Improve Cheers

In the spring of 1977, cheerleading tryouts were held. Thirty-three girls were chosen to make up the six squads which include A-squad, B-squad, Hockey, Wrestling, Swimming and Freshmen.

In October all of the squads attended a cheerleading clinic in Valley City. They learned jumps and cheers to use in the upcoming seasons. After the groups had time to practice, each squad was

Pom Pon, Pep Club Promote Bruin Spirit, Raise Activity Funds

South High's pom pon girls promoted school spirit by performing routines at home game half-times as well as attending away games.

Following an Oriental Homecoming theme, the pom pon girls were outfitted in karate uniforms. Rain spoiled a game performance but the squad had appeared earlier that day at the pep fest.

school year. The girls were judged by their performance of a routine taught to them by the seniors who would graduate at the end of the year.

To raise money needed for new uniforms the squad employed various methods. During the summer they sponsored a car wash. They also had bake sales in the commons and sold "Bruin cushions" at games and Bruin Booster functions.

Due to stormy weather and vandalism, this year's Sadie Hawkins events were slightly mixed up. The week included a boy's "Slave Day", a pep fest and the dance. Pep Club sponsored the event.

As an alternative to Homecoming's "Slave Day", boy's "Slave Day" was held, giving girls a chance to buy the services of a boy for one day. The pep fest contained many skits, including the senior

square dance. The highlight of the fest was the presentation of the King Sadie candidates and the crowning of Matt Andrews as King Sadie. Marrin' Sam also made a guest appearance at the pep fest.

As usual the dance had a theme, this year's was "Hitch 'em and Pitch 'em". The Over-the-Hill Gang played from nine-thirty to midnight in the gym. The November 18 dance was a big success.

Warm Weather Gives A Big Boost to Many Snow Week Activities

One of the worst area winters in years managed to strategically interrupt some of the activities planned for Snow Week '78. The winter provided record snowfalls and low temps, several blizzards forced the closing of school and one particular day of bad weather caused the cancellation of Snow Week's "Football in the Snow".

Under senior Lisa Anderson's leadership, the

Juniors Chris Doyle, John Levensen, Debbie Miliar and Jodie Oster slide bumpy down the dikes on innertubes Monday night. The

warm temperatures during the week permitted many students to enjoy this and other activities including broomball and a dance.

remainder of Snow Week ran smoothly as planned. Activities included sledding at the dike, a pep fest, broomball and a dance. Hot apple cider was sold in the commons as part of the celebration.

Snow Queen and King were Karen Hegre and Jim Peinovich. Candidates were Lisa Anderson, Matt Andrews, Sherri Braaten, Dan Jahnke, Sarah Jordheim, Steve Linn, Dana Mogck, Bobbi Pratt.

Seniors Karen Hegre and Jim Peinovich, crowned Snow Queen and King, read a proclamation at the pepfest where they were crowned

First Annual "Art-In" Considered Success By South Participants

Just like in kindergarten freshman Chris Meyer enjoys getting the hands into the paint to do her creation in the finger painting area.

Under the leadership of the Art Department, the first annual South High "Art In" was staged March 13. The commons was converted into a workshop made available to students and faculty. The "Art In" featured many different types of art media ranging from finger painting to air brush, and painting without the use of hands. There was also a special sitting by James Spence for a very

popular "Draw the Principal" contest won by sophomore John Sorgaard. Another soph Greg Haug was a double event winner. He captured top honors in the "Straight Line" and "Drawing Without Using Hands" contests. The art was judged and displayed in various places around South high. Participation ran high, and the "Art In" in general was considered very successful.

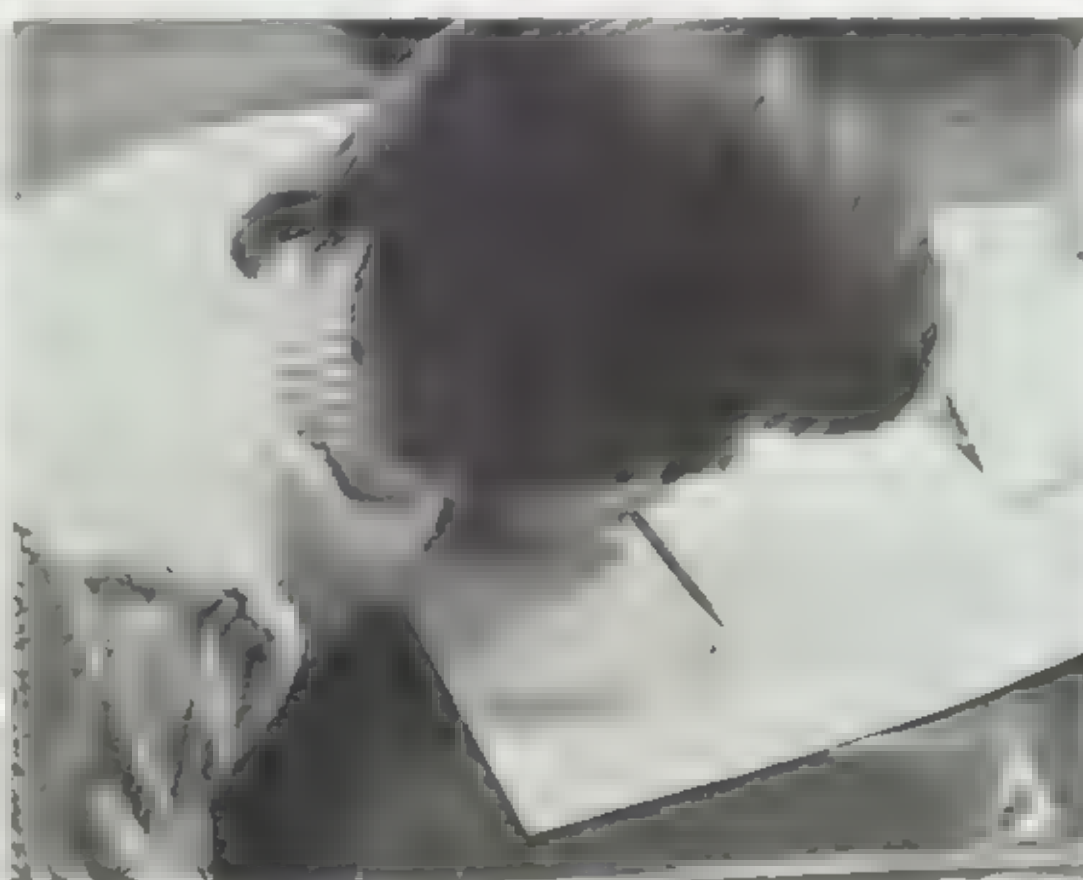

"Draw the Principal" is one of the categories assigned for the first annual Art-In. Jim Spence donned his crown and mounted his

throne to pose for the would-be artists as they attempt to draw the winning picture. Students and staff were able to enter the contest

Tuesday was the night for rollerskating for the South students. The council rented Skateland for the two hour session so students could try a 50's pastime

Bobby socks, bubble gum and the band "Sir Duke and the Lords of the Lips" dominated the week of March 13-17 as Student Council sponsored 50's Week. Monday through Wednesday spirit chains were sold in the commons, and at the pep fest the sophomores proved victorious. On Tuesday evening South High students donned roller skates and took over Skateland for an evening of fast ex-

citement. 50's Week concluded on Friday with a pep fest to set the mood for the boggie with "Crystal Sunshine". Contests such as bubble gum blowing, hula hooping, licorice eating and a Richie Cunningham contest were held, the last won by Steve Flannery. Sir Duke's band was made up of Dan Jahnke, Dean Winstanley, Mike Devlin, Dave Norman, Don Dahl, Pat Norman and Flannery.

North and South mix together at the dance. Scott Wilson, Laurie Schuster, Sarah Jordheim, Clint Emerson, Greg Cummings and his date enjoy Argus at the dance.

The 1978 prom was held on Saturday, April 15 at the South High gym. "Grand Illusion", a takeoff on the album of the same name by the rock group Styx, was named as this year's theme. Different songs off the album were used for different aspects of the dance. Argus played at the dance which lasted from 9 to 12. Ticket prices were set at five dollars per couple for this year's prom.

As in past years, the junior classes from the two schools were in charge of prom. Heading it were junior class presidents Dave Geske and Brad Belk from North and South Highs respectively. Many students commented on the fine job of decorating, with a water fountain in the middle of the dance floor being an attraction. Also, the weather was nice, which is a rarity for the spring prom occasion.

Pictured above are some of the over 350 couples who attended the spring prom "Grand Illusion". Don Hawkinson and Debbie Millar

President Pete Benson Leads Small Junior Class

Small Junior Class members, including Pete Benson, standing in front of the new house.

The house, which was soon erected by KQWB, was open October 28-31. The money raised was used for future functions and charities.

Senior Matt Torgerson displays his artistic abilities by indulging in a finger painting contest during the March 13 Art-In. The Art-In,

which was held in the commons area, was a morning affair sponsored by the Art Department and directed by Dr. Goettisch.

Representing the Large Board of Education, Dr. Les Pavek presents senior Curtis Scott his diploma during the graduation ceremonies held in the Civic Auditorium on Wednesday, May 31

4 Seniors Speak for Graduation Ceremonies

Graduation ceremonies were opened by the South High Color Guard's presentation of the colors at 8 p.m., Wednesday, May 31. The orchestra, under the direction of Tim Running, played the traditional "Pomp and Circumstance" while 366 seniors filed into the Civic Auditorium. Dave Kolpack, one of four seniors chosen to speak, gave the invocation. Directed by Mike Radniecki,

the Concert Choir sang two numbers: "Walk into Your World" and "The Blessing of Arron".

Tim Pavek and Susy Wenz gave the commencement addresses. Principal James Spence presented the Class of '78 to Dr. Vern Bennett for the awarding of diplomas by school board members. The benediction, "An Irish Farewell" was sung by senior Mary Knox.
